

Artesian City Car Club of Albany, Georgia

The Artesian City Car Club of Albany, Georgia, exists to further the interests of its members in collecting, protecting, and preserving their special-interest vehicles. We share a common interest of preserving and protecting part of our nation's automotive heritage. Many of our members' cars qualify as "historic" vehicles as defined by the State of Georgia, but that is not a requirement for membership. We are also glad to have members who share an interest in cars and trucks of any make and era. You don't even have to own a car to be a member of the Artesian City Car Club.

Why you should join ACCC:

1. Contact and fellowship with people who share your interest in cars
2. Chances to show off your special vehicle
3. **Membership identification for special discounts at area businesses**
4. Benefits of a diverse and knowledgeable membership
5. Regular communications about club events
6. The Annual Open Car, Truck, and Street Rod Show at Albany Mall
7. Opportunities to support local charities
8. Hometown car club affiliation
9. Assistance in finding car shows in the area
10. Participation in club tours
11. Your chance to make a difference in Southwest Georgia communities
